

Project, Coursework and Examination Credit for Part IIA of the Manufacturing Engineering Tripos

The Examiners for Part IIA of the Manufacturing Engineering Tripos in 2026 will take account of work produced by candidates. The Faculty Board have determined that this shall consist of work with the requirements and total marks available set out below.

Major project - 140 marks

CAD/CAM exercise - 30 marks

Production game - 30 marks

Visits programme - 40 marks

9 examined modules - 60 marks each

1 module assessed by coursework - 60 marks

Students are expected to undertake all the coursework as specified above. Students should refer to the MET Extensions & Penalty policy, which is included in the MET student handbook. Work submitted for marking must be that of the student who submits it, as defined in the [plagiarism, cooperating and cheating guidelines](#).
